Gimbel, Reilly, Guerin & Brown Announces Recognition of Nine 2017 Super Lawyers; Gimbel recognized as Top 25 in Milwaukee Area

Milwaukee, WI — The Milwaukee, Wisconsin based trial and litigation law firm, Gimbel, Reilly, Guerin & Brown, LLP (GRGB) has announced that nine attorneys from their team have been recognized as Super Lawyers, by Super Lawyer Magazine.

The nine individuals receiving this prestigious distinction include Thomas Brown, Raymond Dall'Osto, Franklyn Gimbel, Joshua Gimbel, D. Michael Guerin, Kathryn Keppel, Patrick Knight, Richard Reilly and Christopher Strohbeh. "We do our best to assure that all clients receive focused, professional attention to their needs. To be recognized for our service and come to the attention of others in the legal community, is indeed a high honor" notes GRGB Founding Partner, Franklyn Gimbel. Gimbel was also recognized as one of the top 50 lawyers in Wisconsin, out of a pool of more than 25,000 and the top 25 lawyers in Milwaukee, out of 5,500.

In addition to the Super Lawyers designation, Jason Luczak, Steven McGaver and Erin Strohbeh were recognized as Rising Stars. This represents 75% of the firm's entire team of attorneys who received recognition for their stellar abilities in the Wisconsin legal community.

The Super Lawyer designation is given to no more than five (5) percent of the lawyers in a given state. Recipients are selected based on peer nominations as well as careful analysis from an attorney-led research team. "Receiving the Super Lawyer designation is especially meaningful because it represents the opinions of our peers within the community. It is a great reminder of the oath we each took as young lawyers to uphold the law and act in the best interest of our clients," Gimbel concludes.
